14 September 1982

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Meeting with McFarlane, 15 September 1982

1. As you know, Judge Clark will be out of town starting tomorrow. Bud McFarlane, however, is planning to meet with you at the regular time.

25X1 2. [] has been out so far this week, therefore, I have been unable to consult with him on the agenda for your meeting. Nevertheless, I have come up with a proposed agenda which covers, I believe, most of what you might wish to get into.

[]

25X1

-- Central America. McFarlane wanted but was unable to attend last Friday's briefing on Central America. Therefore, he would probably appreciate any comments you might wish to make on that session. You may wish to suggest to him that we schedule at some convenient time a similar briefing for him and Judge Clark.

25X1 -- Middle East. You may wish to compare notes on reactions following the Fez Summit. In addition to [] think piece, [] has provided the results of last Friday's interagency Coordinating meeting during which [] outlined our next steps.

25X1

25X1

-- Pipeline. You may wish to inform McFarlane that the NFIB will meet on Thursday to review the SNIE. [] promises to have the revised draft from today's session with the reps available for you by noon tomorrow.

/ You need have.

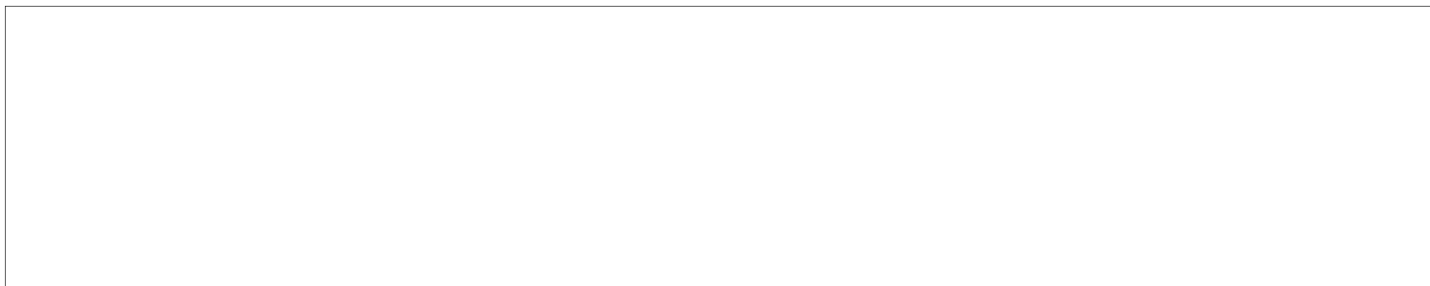

SECRET

25X1

- Addabbo Meeting. You may wish to inform McFarlane that you (DCI) will be meeting with Addabbo Thursday morning  25X1
You may also wish to give him a status report on your efforts to get to Stevens and Smith regarding the FBI slots for counterintelligence.
- HPSCI Breakfast Meeting. You may wish to pass on to McFarlane anything of significance that arises from your meeting tomorrow morning with members of the HPSCI. 25X1

4. Please let me know if there is anything else you wish to include on the agenda. *over*

25X1

25X1

Late item:

 informed DDCI & me today that coordination of ITM on Soviet ADM Development is proceeding slowly. He anticipates that policy pressure will mount. Recommended that you ask McFarlane to assist in keeping down the pressure until we complete the study.
